

The message today is on seeing the Bible alike, tonight we will look into some Bible questions and answers that are fresh on my mind.

REJOICE!! We want to rejoice with **Caleb Sweezy** in his obedience to the gospel. I simply failed to mention this last week in the bulletin. We also want to rejoice in the restoration of sister **Connie Carter**.

IN NEED OF PRAYER: **Albert Kerr** was in the hospital but is now out. He had a bad case of bronchitis. **Jerry Monday** suffered a heart attack and has been in Kentuckiana hospital where he had by-pass surgery. He is recuperating well.

Gospel Meeting: This will be on us shortly. There are adverts out front for that too.

Camp Meeting: I need to have an organizational meeting for State Line. Give me some suggestions as to what you think a good date would be.

Ladies, have you marked your calendar for March 28th? An advertisement for Ladies Day is posted on the webpage and hard copy adverts are now available. Debbie Kea is the speaker.

SCULPTOR OF THE DAY

Today I woke up early, excited over all I get to do before the clock strikes midnight. I have important responsibilities to fulfill today. I am important. My job is to choose what kind of day I am going to have.

Today I can complain because the weather is rainy or I can be thankful that the grass is getting watered for free.

Today I can feel sad that I do not have more money or I can be glad that my finances encourage me to

plan my purchases wisely and guide me away from waste.

Today I can grumble about my health or I can rejoice that I am alive.

Today I can lament over all that my parents did not give me when I was growing up or I can feel grateful that they allowed me to be born.

Today I can cry because roses have thorns or I can celebrate that thorns have roses.

Today I can mourn my lack of friends or I can excitedly embark upon a quest to discover new relationships.

Today I can whine because I have to go to work or I can shout for joy because I have a job to do.

Today I can complain because I have to go to school or eagerly open my mind and fill it with rich tidbits of knowledge.

Today I can murmur dejectedly because I have to do housework or I can feel honored because the Lord has provided me a shelter for my mind, body and soul.

Today stretches ahead of me, waiting to be shaped. And here I am, the sculptor who gets to do the shaping.

What today will be like is up to me. I get to choose what kind of day I will have!
