

## Tidings From Timothy

**T**his morning we will study on "Times When All Are Equal." It is an examination of those events and challenges that we all hold common and the godly response to each one of them. We have several people going tonight to Dry Fork where Tyler McHenry will be delivering the message.

**Pantry and Clothing:** These are both looking much better, just a little bit more organizing to be done for the clothes and that is it, you all did a great job with both of them.

**Potter Commodities:** They are looking for just a few groceries and donations at this time of year. Please see the list over the desk and get those items in as soon as possible.

**Congratulations!:** On the birth of Ailey Grace Strong born January 27<sup>th</sup> weighing 6lbs 11oz and 19.5 in long. Caitlin and baby are doing well and Steve and Jane are on cloud nine!

**Youth Opportunity:** The West End church of Christ in Livingston, TN is hosting a Bible Bowl on March 5. It would be great for us to get a team or two together for this event. I have all the info on this and will supply it to the classes for their examination.

**In Need of Prayer:** Martha Pettet is to have a medical test tomorrow. Sister Key is to have another Chemo treatment tomorrow. Smith is in the hospital. less than 2 pounds.

## MORBUS SUNDATICUS

**M**orbus Sundaticus, or Sunday Sickness, is a disease peculiar to church members. The attacks come suddenly on Sundays: No symptoms are felt Saturday night; the patient sleeps well and awakens feeling well, eats a hearty breakfast: but about church time the attack comes on and

continues until services are over for the morning. Then the patient feels much better and eats a hearty dinner. In the afternoon he feels much better and is able to take a walk, an automobile ride, go visiting, talk politics and read the papers. He eats a hearty supper, but about church time he has another attack, so he stays at home. He gets up early on Monday morning feeling well, goes to work and never feels any symptoms of this illness until the next Sunday morning (or possibly Wednesday night). The peculiar features are:

1. It attacks church members.
2. It never makes its appearance except on Sunday and mid-week Bible study.
3. The symptoms vary but never interfere at all with appetite or sleep.
4. It never lasts more than 24 hours.
5. It generally attacks the head of the family and continues to spread until every member is affected.
6. It always proves fatal to the soul.
7. No physician is ever called.
8. No remedy is known for it except prayer and repentance.
9. Real heart-felt salvation is the only antidote.
