elcome David Hester today. Brother Hester will be with us this week for our Fall Gospel Meeting. He is no stranger to us here at Mt. Gilead and we look forward to some great lessons. It isn't too late to pick up a flyer out front and invite a friend to come out and see us this week.

Please keep in mind that services will be tonight at 7pm instead of 6pm.

Make sure to stay with us for our potluck fellowship meal this morning after church. Ladies, please see your team leader for information on what night is yours for fellowship at the building.

IN NEED OF PRAYER : My **Connie** got a good report back from pathology following her surgery. **Pernie Chandler** is doing much better as he fights off infection. **Connie Carter** has surgery tomorrow and **Rylee Lyons** has a procedure coming up soon as well.

THE MIDDLE VERSE OF THE BIBLE

There are **31,102** verses in the King James Bible. Therefore there is no single middle verse. You cannot have a middle verse with an even number of verses. However there are *two* middle verses. These would be verses 15,551 and 15,552 (Psalms 103:1-2.)

PSALM 103

B

BLESS the LORD, O my soul: and all that is within me, bless his holy name. ² Bless the LORD, O my soul, and forget not all his benefits:

These are the middle *two* verses of the King James Bible. Both verses start with "Bless the LORD, O my soul". Verse 1 continues - and all that is within me, **ble**ss** his holy name**. Verse 2 concludes with - and forget not all his benefits. These are powerful words coming from the two center verses of the Book.

Now let's count the words in these two middle verses. There are twenty-eight. That's seven quadrupled (7 times 4. Any one that knows their Bible knows that God loves the number seven.

Now let's see if we can find some middle words in the center of God's middle verses. Yes, I see four (**ble**ss** his holy name**.) There are twelve words on one side of this phrase and twelve words on the other side. So the King James Bible has **ble**ss** his holy name** right in the center of the two middle verses!

The following statistics apply to the 1769 edition of the 1611 King James Bible:

Note: Total verses: 31,102. 3+1+1+0+2 = 7

(7 = completeness, spiritual perfection, pure)

All word counts are the work of computer programmer Dave Whiting

What Must I do?

- **Hear the Gospel - Acts 15:7**
- **Believe the Gospel - Mark 16:15,16**
- **Repent of Sins - Acts 17:30**
- **Confess Christ - Rom. 10:9,10**
- **Be Baptized for the Forgiveness of Sins - Acts 2:38**

Then, as a Christian we must:

- **LIVE FAITHFUL UNTO DEATH - REV. 2:10**
