

## Tidings From Timothy

Lots of days I wonder about my decision of what to preach on Sunday. Usually, in the evening it is not as much of a problem since I am looking at the core of the church and I know I need to preach something that will be edifying to brethren. But Sunday morning is a little different. The sermon on Sunday morning should be directed to a broad audience and yet deal with the specific needs of the people from the word of God. With that in mind, consider that most of us either have a child, grandchildren, nieces, nephews, students, or at least know a child that we influence. How can we make sure that these young people know God's truth? This morning's sermon is about "How Shall The Young People Know?" I hope you will find it interesting and challenging.

**In Need of Prayer:** George Bryant, brother to Rachel Bartley, is now out of the hospital. We announced Wednesday that he was restored in prayer to God last week. Lavene Smith is in the hospital.

**Transcriber Needed:** The original church record book is in our possession and we are taking "applications" for someone to transcribe this book into a digital file (type it in) so we can add it to the church web page and library. We need your help in this as soon as possible to help get the church web page up and running.

## Study the Bible?

God speaks to us today through the Holy Word of God - The Bible (Hebrews 1:1-2). The Scriptures instruct us in the way God requires His people to live (2 Timothy 3:16,17). The Bible is powerful and able to save us (Romans 1:16; James 1:21-25), if we will hear, learn and obey it.
