

Tidings From Timothy

This morning we will examine the individual responsibilities of the home, state, and church. This is needed because so many people are confused today on what each one is supposed to concentrate on.

need to do look more as anyone can. Can you really be far even as decided half as much to use even go wish for that? My guess is that when one really been far even as decided once to use even go want, it is then that he has really been far even as decided to use even go want to do look more like. It's just common sense.

I decided to use even go want to look more like before it was cool to use even go want to look more like. I have even really been far even as decided to use even go want to look more like, that I stopped doing look more like a long time ago, and now I just use even go want to do look more like with scissors, a box of Kenan and Kel on DVD, a 4 gigabyte SD card, and a frayed ethernet cable. I hope this is really been far to do more answers for you to even go want.

As ridiculous as the question was, the answer was even more hilarious. Among the mundane questions like, "How do you make...?" or "What color should I paint...?" you then get this one. It's only funny because it doesn't make sense. Well, my point is **I get comments like this in religion.** That's right, when I question someone about where they stand with God, they respond by talking about the weather. When I ask about going to church, they talk about the football game, or their next doctor's appointment, or whatever. What if the next time someone asked me, "Tim, what does the Bible say about raising children?", I responded by saying, "I had a couple children, you know they do the funniest things, those children are 'ready', where do we get that expression from anyway? Oh, well, it doesn't matter." The person would have a right to give me a funny look. I didn't answer the question! People answer this way in religion all the time. Dear reader, let's make sense when we talk and when we answer questions. Don't just dodge the issue or act like you didn't hear. You KNOW what God wants from you, so tell the Christian talking to you

Making Sense

The following question and answer was posted on the internet:

Jeremy B: Has anyone really been far even as decided to use even go want to do look more like?

DNAgent: I've answered this before but I'll say it again, you've got to be kidding me. I've been further even more decided to use even go

whether you are ready to obey or not. It will save a lot of time.

Verses for the Lord's Supper: 2

Corinthians 5:14 - 19 ¹⁴For the love of Christ compels us, because we judge thus: that if One died for all, then all died; ¹⁵and He died for all, that those who live should live no longer for themselves, but for Him who died for them and rose again. ¹⁶Therefore, from now on, we regard no one according to the flesh. Even though we have known Christ according to the flesh, yet now we know *Him thus* no longer. ¹⁷Therefore, if anyone *is* in Christ, *he is* a new creation; old things have passed away; behold, all things have become new. ¹⁸Now all things *are* of God, who has reconciled us to Himself through Jesus Christ, and has given us the ministry of reconciliation, ¹⁹that is, that God was in Christ reconciling the world to Himself, not imputing their trespasses to them, and has committed to us the word of reconciliation
