

What can wash away my sin? This is the question we ask in the old spiritual song. Stains, marks, spills, everything has something that will get it off. Find out this morning what gets sin to come off.

In Need of Prayer: **Debbie Adams** has 3 bulging discs and she is going to try to deal with it through therapy instead of surgery. **Betty Scott** may get to come home today, she is trying to get her strength back. Mack Clements has been in the local hospital with breathing problems from fluid and perhaps a touch of pneumonia. Beck Shaw had surgery to help her heart. We are saddened at the passing of Cass Frank Deckard. A big thank you to food groups 3 and 4 for helping with this funeral. We are saddened at the passing of Jean Wade (Mike McPherson's great aunt by marriage). She was in Frankfurt, IN. **Ivy Beechy**, aunt to Peggy Brewer, is in extremely poor health. Tuesday's Radio: Have you checked out the weekday radio broadcast. I get lots of feedback from this. It airs at ~12:15 or so each day after the obits. Dan Robinson and I do "Talkback Tuesdays" each week and we would LOVE to have you call in and ask a question live (we do not identify the caller even if we recognize the voice). I sometimes have other guest speakers with me as well and I hope to have brother Houchens on the program with me soon.

How Much Are You Worth?

A few years ago, Anne Marie Helmenstine was asked what was the actual value of a human body. Utilizing her chemistry background (PhD), she listed the elements in the body and researched their 2011 market values. She concluded that the average human was worth about a dollar, and if you could tan the skin (hide), you could raise that total to \$4.50 or \$5.00. Recently, James Farris cited a new study which places the value of a human at 43 million dollars. The difference is not inflation, but in things Anne Marie never thought to consider. Bone

marrow, DNA, antibodies, reproductive components, and organs are in great demand and therefore quite expensive. However, there are aspects of our humanity that can't be price tagged. How do we establish values for dreams or talents? How much is a person worth who discovers a cure for cancer? What is the love for your spouse or child worth? The place we hold in the hearts of those around us truly makes us irreplaceable and therefore priceless.

In all of this discussion, we have failed to address the most crucial part of humanity: the eternal soul that God has placed within each of us. Jesus asked his disciples two probing questions in Mark 8: "For what does it profit a man to gain the whole world, and forfeit his soul? For what will a man give in exchange for his soul?" Each of us possess an eternal soul which possesses divine qualities. We are each a treasure and of great value to God. Let's act like it! Don Loftis

Have You Missed the Sweezys?
Kevin and family are working with the Mount Vernon church of Christ down near their home on Sundays, but we still get to see them on Wednesdays. Be sure to let them know you appreciate the work they are doing.
