THE MOST IMPORTANT ONE

It is said when the famous missionary, Dr. David Livingstone, started his trek across Africa, he had 73 books in three packs weighing 180 pounds.

After the party had gone 300 miles, Livingstone was obliged to throw away some of the books because of the fatigue of those carrying the baggage. As he continued on his journey, his library grew less and less, until he had but one book left: his Bible.

Truly today the Bible is the one book humanity cannot do without.

"I will delight myself in thy statues; I will not forget thy word" (Psalm 119:16).
