She was taken to the Medical Center in Bowling Green where she was waiting for her blood to thicken up so surgery could be performed. Hopefully that has happened by the time you read this. **Mack Clements** saw his cardiologist this week. He said he got a good report because the doctor said no surgery at this time. **Calvin Clements** is not feeling well. **Bette Scott** is still undergoing treatments. **Bobby Welch** is having hip replacement surgery on the 18<sup>th</sup> in Bowling Green.

**Annual Ornament Exchange** and our fellowship meal. Bring finger food, an ornament and yourself. If you forget your ornament and food, come anyway!

**Banquet:** The “young” adult class sponsored a meal for the widow and widowers was last Wednesday night at Charlotte Arnett’s house. The meal and the devotional that preceded it were thoroughly appreciated and enjoyed by all. The honored folks want to say “Thank you and Merry Christmas” to the class.

**Daily Walk**

*My voice shalt thou hear in the morning, O LORD;  
in the morning will I direct my prayer unto thee, and  
will look up.* Psalm 5:3 (KJV)

Scheduling time to pray and read the Bible can feel like just another item in your to-to list. But getting to know God is not another product. It’s a relationship. Best friends don’t spend time together just because they think they should. They do it because they enjoy each other’s company and long to know each other better. The more consistent you are in spending time with God each day, the closer friend you’ll feel He is to you.
