

In need of Prayer: We have had several deaths affecting our members this week. Our own **Calvin Clements'** funeral was Thursday. Remember **Mary Doyle** and her family in your prayers. **Albert Kerr** lost his sister from Indiana this week. **Billy High**, from **Jimmy and Tony's** family passed this last week, as did **Ervin Tooley**, who attended at Kingdom Hill and was a brother to **Clary Eagle Tooley** who's in the nursing home and attends our services there., **Judy Biggerstaff**, wife of **Bobby Joe** (they attended at Mt. Gilead before going to Tompkinsville to attend with their grandchildren) passed suddenly this last week and her funeral is this afternoon. **Jean Miller** was transferred to St. Thomas Hospital in Nashville for more tests and treatment. **Mary Ruth Emberton's** sister Martha McLerran has been transferred to the Gainesboro Hospital. **Marshall Isenberg's** eye surgery went well, and **Linda Branstetter** is now home.

Are You Sick Enough to be Saved?

“Those who are well have no need of a physician, but those who are sick. I come not to call the righteous, but sinners” (Mark 2:17).

Jesus did not mean there were people in the world so righteous they would not need Him. Rather, only those who realize how sick they are will actually come to Jesus.”

How many people die each year because they refuse to believe the pain or headaches they feel mean anything, and protesting they are just fine, they never see the doctor? And how many of those are completely separated from God because they refuse to recognize their emotional aches and spiritual pain are pointing to an even deeper ailment of sin, and protesting they are just fine, they never turn to the Great Physician?

The path to victory in Jesus is through the valley of defeat in self. Will you walk that path?
