

Tidings From Timothy

IT is easy to get frustrated with the spiritual condition of the people. How can the kingdom of God increase as it should with such disunity in “Christendom”? Let’s look at the Bible answer this morning. Also, today is the 3rd Sunday so don’t forget Singing and fellowship tonight!

Gospel Meetings: Mud Lick has a Meeting with Don Smyth Today through Tuesday with Monday and Tuesday evening services at 6pm.

There will be a Ladies’ Day at Livingston church of Christ with Becky Honeycutt on April 16th. Our Ladies Day is about and month and a half from now!

There is a Meeting this week at Celina church of Christ. Weekday evening services at 7pm.

Gospel Meeting at Oak Hill with Michael Shepherd next week.

Our Meeting with Jack Honeycutt starts April 10th! The advert is done but I want the elders to take a look at it before I print a bunch of them for tonight.

In Need Of Prayer: Lavonne Welch is at Baptist in Nashville. She had some pretty extensive surgery and it will take some time, but she is getting better with your prayers. Trent Whitehead was in the hospital this past week but is now out. Bedford Blythe is in poor condition and had to be hospitalized this week. Bobby Garmon has been sick for several days but was starting to get better at home.

Our Real and Continuing Loss

These children...will never laugh, never sing, never experience the joy of human love; nor will they strive to heal the sick, or feed the poor, or make peace among nations. Abortion has denied them the first and most basic of human rights, and we are infinitely poorer for their loss.

We are poorer not simply for the lives not led and for contributions not made, but also for erosion of our sense of worth and dignity of every individual. To diminish the value of one category of human life is to diminish us all.

--Ronald Reagan--

We need people in the church, in the government, and especially in the home to begin respecting life as we should. Human life is minimized first at home when the decision is made to consider abortion even though the mothers health is not endangered. The degradation of humanity continues when some in the church are ashamed that abortion is labeled murder, which is exactly what it is. And finally, the babies are not considered when we get to the voting booth and forget our allegiance to life and God, but remember our allegiance to party. The result is a cruel set of laws and proposals to protect our children’s killers and then pay for the execution. An execution carried out even when the only accusation that can be laid at our little children’s feet is that they wanted to be born.

God looks upon us with judgment coming and sees where we are taking our stand. Let the word go out that true Christians do not support suicide, abortion, or the killing of our sick and elderly. All people in God’s sight are precious and each one has a unique soul that he wants to see develop and grow for a lifetime. If you can read this article, then you are among the fortunate. Life and opportunity are yours. So what will you do with the life God has blessed *you* with?

“Lo, children are an heritage of the Lord: and the fruit of the womb is his reward. As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them...” Psalm 127:3-5a

--Tim McHenry
