

**A**ttitude is huge when considering where we stand with God. Whether He will give you more time, deal with you roughly, or even ultimately save your soul has to do with your attitude. This morning, we will study on the Attitude of a Christian. I believe you will find it an interesting topic. Tonight, I hope to begin a series on Fellowship. We will lay the groundwork for what it is and the scope of the word tonight.

**Trash Pick-up:** Our Adopt-A-Highway trash pickup was a big success as about 27 people showed up to help clean up the roads near the church building. Thanks so much!

**Gospel Meeting:** There will be a meeting down front after the service this morning of all food groups concerning food during the Gospel Meeting. I would like to get with people to pass out flyers for this Meeting. Saturday would be fine, or another day is okay if you wish. I believe the visits have a great impact on people even if they don't come. Let's try to get out about 500 advertisements for our Meeting!

**In Need Of Prayer:** Mack Harlan is continuing his therapy and sister Welch has been back at the hospital - but the latest I have is that she is now back at Sky Rehab in Bowling Green. Buell Abney is still very much in need of prayer. Connie's grandfather, Glendale Hickey, took a turn for the worse last night and is in ICU at Cookeville Regional Hospital.

**Fellowship Donations:** I forgot last week to mention that we need donations for the fund to get drinks for the fellowship hall. You can see Bobby Gerald's if you would like to help out with this.

## A Good Meeting

If there were ever a time when you could demonstrate your interest in things spiritual, that time is during a Gospel Meeting. All things have been provided for you, the word of God, a speaker, a nice building in which to meet, and the open invitation to attend each night. All you have to do is come and participate, and that participation simply involves studying God's word and worshipping Him in spirit and in truth. Starting April 10, we will have just such a meeting. However, the opportunity for service is now. Talk to others about the upcoming meeting, provide free advertisement by putting a flyer in your auto, at your work, or just displayed prominently in your home as a reminder. Last but not least, come. If you can think of any other way to be of assistance, then feel free to ask my help or bring it to the attention of the elders. To members of the church of Christ at Mt. Gilead: consider the fact that there may be friends of yours who go to their own church on Sunday and Wednesday nights. When we have a Gospel Meeting, it is *the* time that we have set aside for inviting those in the community and in our sister congregations to come be with us to better learn how to serve God. If by your influence just one visitor came through the door for the meeting, and if each member had just one other visitor that came because of their invitation, then we would have new faces all around us during the Meeting. This is a goal worth striving for. Brother Honeycutt has chosen his lessons, people are praying, all that is now needed is for you to come. See you then!
