

Birthday: July 5th

Tidings From Timothy

IT's good to be back. I hope you and all of yours had a very happy 4th of July. We had a rather eventful one, which I will explain this morning in the sermon.

Pantry: No sugar fruit. We are starting to get low on other things as well.

Packtrick Swayne to speak tonight: The Swaynes have been our missionaries to Australia (I can still taste the Vegamite). Anyway, they are changing the locale of their work and will make report tonight.

In Need of Prayer: Dorothy Bryant is doing better. McKale High is recovering well after his accident. Most others are doing about the same or getting better to my knowledge.

VBS: The materials are in and you can sign up to teach a class over the desk out front. Then all you have to do is pick up your teaching materials at the side of the building. Advertisements are out front.

Mrs. Morgan - And Others

From thirty years ago, we have church bulletins carrying an article entitled: "What's Wrong With Mrs. Morgan?!!" This lady, from Augusta, Georgia, had not missed Bible classes or worship in 2314 Sundays - 44 years! Indeed, what is wrong with her? Doesn't she ever go anywhere on Saturday night, and thus is too tired for Sunday's services? Doesn't she ever have headaches, colds, indigestion or nervous spells? Doesn't she ever sleep late on Sundays? Doesn't she know that it rains hard some Sundays, or is extremely cold on others? Does she not get her feelings hurt by something someone says in church? Doesn't she ever get mad at the preacher or one of the teachers? WHAT'S WRONG WITH THIS WOMAN, ANYWAY? Why was this lady always present? **She wanted to be!!!**

Two items for the Robertsedale, Alabama bulletin: (1) One member of the church - an elder - lived in New Orleans, and at one time or another was president of 33 different business/civic concerns, and owned a chain of restaurants, and he made ALL of the services of the church! Why? He wanted to!! Then this: (2) A well-known obstetrician, in Nashville, Tennessee is also an elder in the church, and made arrangements to be at all services over 36 years, with but two or three exceptions when emergency conditions arose. How was he able to do this? **He wanted to!!!**

And we remember (well, I don't, but you may, STM), in the late 50's, when "the singing rage, Miss Patti Page!" had a prime-time Wednesday night TV program. One couple, members of the church, had never seen the program at all, because it was on Wednesday nights, and they were in Bible study. And they were Patti Page's parents! Why did they put the kingdom first, not even being able to view their own daughter's television program? **They wanted to!!!**
