

It is good to be back. We had a great time with the church at New Hope in Clay County. We came within 2 of the all-time record that brother Willie McClerran could remember at New Hope. We did set modern-day records almost each night of the Meeting. There were 2 restorations during the week. This morning we will be studying on Thankfulness from Luke 17. This will be a PowerPoint lesson so pray that technology will cooperate this time!

**IN NEED OF PRAYER:** We want to keep the families of **Jimmy Ross Geralds** and others who have lost loved ones in our prayers. **Lavonne Welch** had a stint put in and has recovered well.

**State Line Christian Camp**: Be looking for an announcement (probably tonight) about our first organizational meeting for this camp at Big Reedy.

Bible Bowl: We will also announce tonight about the subject matter for the Bible Bowl here in October. We will need help from many in the congregation to make questions to ask the children.

**Tonight's Service:** We look forward to the youth lesson tonight to be delivered by brother Arnett.

## NURSING HOME SERVICE TODAY AT 3:00 pm

#### Man's Three Needs

"And he (Isaac) builded an alter there, and called upon the name of the Lord, and pitched his tent there: and there Isaac's servants digged a well" (Gen. 26:25).

Much confusion exists in our world regarding the purpose of life. Many people are confused and uncertain about what to do with their lives. This passage, regarding Isaac, shows us the three basic needs of each person.

Worship - Isaac built an alter; he provided a place of worship. All who will experience a fulfilled life today must enjoy a peaceful relationship with God (John 4:24).

**Home** - Isaac pitched a tent; he made provision for his family. The family has always been a part of God's plan for man. To be happy one must strive to establish and maintain a happy home (Eph. 5:21-33).

Work - Isaac also was concerned about his occupation. Because he was a shepherd, it was necessary for him to dig a well to provide for his sheep. God does not approve of "free loaders." He requires that people work and make a positive contribution to society (Eph. 4:28).

The three basic needs of man have never changed. He needs to worship and serve God, his Creator. He needs the blessings that come from a happy home. He also needs to earn a livelihood for himself and for those dependent upon him. Also of importance is the order in which these three items appear in the text: religion comes first, followed by the family, and then the occupation. When these three items are in place in the correct order, then God's plan for your life is complete.
