

Tidings From Timothy

Lots of preaching will be going on starting today. Here at Mt. Gilead Steve Hagan will be filling in for me this morning. I am starting a Meeting at the Burrstown church of Christ between Gainsboro and Hilham. This was the church that I preached my first full-length gospel sermon to in November 1986.

Tonight, Mt. Gilead will have a "young at heart" service conducted by a variety of the brethren here. Come out a support this at 6pm.

Be in prayer for Josh Key, as he is getting ready to preach the 5th Sunday service at Milestown church of Christ in November. We are blessed at Mt. Gilead with many who can lead us in worship to God.

In Need of Prayer: Phillip Pitcock was to be moved to a rehabilitation facility, but as of the time this was printed I still don't know which one. Patricia Blythe is doing some better after her surgery. Laura Key is in the Cumberland River Hospital (Celina) with double pneumonia. As is typical of sister Key, when Connie and I visited her she had already been talking to her roommate in the other bed and arranged for me to talk to this lady about Jesus right then and there! Others are awaiting results from tests or procedures to treat illnesses that they have recently been diagnosed with. Please listen closely to the announcements for details on this and look on the prayer list out front.

Pantry: Meaty Soups.

Nursing Home Service: This is today at 2pm. Bobby Harlan will be doing the preaching.

Gospel Meetings: I don't have any details on it, but the Flippin church is having a Gospel Meeting with brother **Michael Shepherd**. Beech Bethany in Clay County is having a Meeting with different speakers this week. Singing starts at 6:30pm with preaching services at 7pm. I will be speaking on Thursday night in this Meeting. **Jay Mercer** will preach the youth devotional this month at Oak Hill at 5pm. Their meeting starts today and goes through Tuesday with Mon. and Tues. services at 7pm.

Report on work in Harlan County

Hello,

I wanted to give you guys an update of the current work here at Mountain View church of Christ.

About a month ago we added 105.1 FM as another broadcaster for our radio program "God's way or Man's way". We were previously just using WCPM AM radio and will be phasing out that broadcast within the next few months because the FM station covers the whole area (and more) that the AM station was covering. We are currently one of the two programs that broadcast on FM.

We also have begun the mailing program called "house to house, heart to heart" in our local area and will be sending out 2000 flyers bi-monthly to the residents of our county. It will take a little over a year for each and every household to have received one of these flyers.

Our church sign should be finished in the very near future and then we can post messages and events publically - this will be seen by approximately 16,000 of the county residents that commute past it each day.

I had recently heard that a local black congregation had given up instrumental music and we have contacted their new preacher who has agreed to sit down with us this Monday and have a discussion. If they turn out to be sound this will give us a congregation of about 20 people located several miles away that we can work within our county.

We've been averaging close to 20 people per Sunday and have several visitors quite often. Chris has been working with a guy who is a co-worker and we are pretty certain him and his wife will become Christians within the next month or so. We've also been working with a couple of families who attend an "anti" congregation about an hour away. They have visited several times and seem to be looking for a congregation with a strong Sunday school program for their daughters. We're hopeful that they have not been indoctrinated with the "anti" teachings and we're being very tactful and careful in teaching them so that we can show them the truth without offending them.

I hope things have been well at Mt. Gilead and we look forward to inviting you to a gospel meeting we will putting together in the near future after our sign is completed.

thanks,

Stephen Foster, minister

Mountain View church of Christ

What must I do?

- Hear the Gospel - Acts 15:7
- Believe the Gospel - Mark 16:15,16
- Repent of Sins - Acts 17:30
- Confess Christ - Rom. 10:9,10
- Be Baptized for the Forgiveness of Sins - Acts 2:38

Then, as a Christian we must:

- LIVE FAITHFUL UNTO DEATH - REV. 2:10

Study the Bible?

God speaks to us today through the Holy Word of God - The Bible (Hebrews 1:1-2). The Scriptures instruct us in the way God requires His people to live (2 Timothy 3:16,17). The Bible is powerful and able to save us (Romans 1:16; James 1:21-25), if we will hear, learn and obey it.

⇒ **Yes!** I want to learn more about the Holy Bible. Please enroll me in the eight lesson FREE Bible Correspondence Course (we even pay for the postage).

Romans 3:23 - 26 ²³for all have sinned and fall short of the glory of God, ²⁴being justified freely by His grace through the redemption that is in Christ Jesus, ²⁵whom God set forth *as* a propitiation by His blood, through faith, to demonstrate His righteousness, because in His forbearance God had passed over the sins that were previously committed, ²⁶to demonstrate at the present time His righteousness, that He might be just and the justifier of the one who has faith in Jesus.
